**Education**

# Introduction

“Education for the welfare of the masses” with this great vision and the growing need and demand, sports founder principal Hon. M.R Desai decided to establish sports Dept for keeping in mind the importance of health and physical fitness, for (a sound mind dwells in a healthy body,) the department of physical education establishment in June, 1970.

Today sport activities is an integral part of the all round development of the human personality. Achieving excellence in sport it has great bearing on national prestige and moral. In order to meet the increasing demand of the changing scenario, national as well as international, college has taken it upon itself to implement programs to promote excellence in sports.

## Aims and Objectives:-

There is very little scope for the development of infrastructure in the present college premises. It becomes necessary to construct the play ground, the multipurpose sports hall in the extended premises.

To provide indoor game facilities to the students. We have field sports facilities, we could provide sufficient infrastructure to the student. But for indoor games, there is a need of separate hall.

Shikshan Prasarak Mandal's G.K.G. College, Kolhapur is established in June 1960. Our college is recognized as a college of "Hilly and Rural area". The college started Arts, commerce & Science faculty. The students of our college began to participate in the university sports from 1970.

Former Faculty Member and Head of the Department Prof. J. M. Desai, and Prof. B. K. Patil as worked as the Director of Physical Education from 1972 to 2008. Then myself (Prof. N. R. Kamble) took over the charge Director of Physical Education on 1<sup>st</sup> Dec, 2009.

# Former Faculty Profile
