### 7.3 Give two best practices of the institution (Please see 33)

#### **Best Practice No.1:**

#### **1. Title of the Practice:** Career Counseling Cell

#### **2. Objective:**

- To build the confidence among the students
- To create awareness of career opportunities among students.
- To provide job opportunity at various National and International companies
- To create employable students

**3. The Context:** Students to seek their career opportunities out of classroom on their own way. However, sometimes, they may not know how to find out good job and choose particular field they aspire for. Moreover, they are little bit confused about the career so that they have to provide exact guideline and our college is trying best in this direction. Career counseling cell coordinator and all faculty members played a vital role in this matter. Students are competent and sincere about the career opportunities but particularly such matters are brought to the notice of the students, they may not become aware about different opportunities regarding their career. All kind of facilities and resources are provided by the college. Whether students come to know about any opportunities they are properly guided through this cell. Throughout the academic year different programs and lectures were arranged by this cell. One of the important features of this cell is the arrangement of campus interviews not only for the students of this college but also for the students of other colleges can also participate in such interviews.

#### **4. The Practice:**

By scheduling the programs in academic calendar all the students have made aware so that they can grab the opportunity. The coordinator and head of the departments look after to conduct programs smoothly. Teachers concentrate on the learning processes of the students and guide about the career opportunities in their respective degree classes. The lectures of eminent personalities and experts from various fields have been arranged by the career counseling cell. The experts from various disciplines like film industry, research field, are call upon for the guidance.

The activity campus interview, where college is provided training program of three days before actual interview for the students. Because of this training the strength of the selected students is increased and students become more aware about the opportunities in the campus interviews. Students from rural area much benefited by this activity. They come to know the lacking areas and overcome those lacuna.

### Activities

- Expert talks to enable students to imbibe the current knowledge about the vacancies
- Campus interview training Programs enable students to practice for the campus
- Competency Development / Personality Development Programs

### 5. Evidence of success:

The students benefited because of the counseling cell and one of the best examples is the result of the campus interviews and fifty students selected in multinational companies like Infosys and Land T and these companies encouraged student for further higher studies. The selection of the students in various competitive exams and job fairs is possible due to this cell. Students come to know about the areas he is longing for. He / She then make deliberate efforts for improving in those areas.

### 6. Problems Encountered and Resources Required:

Sometimes students from rural areas never attend the programs due to lose confidence. Lack of previous knowledge is one of the most important hurdles in case of some students.

### 7) Future Plans:

- a) To arrange more career oriented lectures of eminent personalities from various sectors.
- b) To organize course in communication skills
- c) To organize campus drives for various jobs
- d) Industry-academic tie up
- e) To introduce new courses or organize lectures on spoken communication to develop among students

**Rojagar Melava by Govt. of Maharashtra, Shivaji University & GKG College Guidance by Dr. Mrs. Manjiri More**

**Three days Campus Interview Training by Shri. Ravindra Khaire, (Career Counsellor)**

## **Best Practice 2**

### **Name of the Best Practice: Women empowerment**

#### **Context:**

In the process of Women Empowerment women rebuilt their won world and expand the horizon of freedom to recreate circumstances to gain what they want that they previously were denied. Empowerment and autonomy of women and the enhancing their political, social, economic and health status is essential in today's context. In every field woman are facing problems of health overburdened work and of lack of power and influence. In most regions of the world, women receive less formal education than men, and at the same time, women's own knowledge, abilities and coping mechanisms often go unrecognized. To increase nation's economic and social power the women's contribution cannot be neglected. Taking account of this thought of line our college decided to take initiative step.

#### **Objective:**

- a) To improve women's political, social, economic and health status.
- b) To make them able to choose between known alternatives whom have otherwise been restricted from such an ability.
- c) To develop skills and self-confidence to participate fully in the development process.

#### **Practice:**

Various activities and lectures have been arranged to make awareness of women equity among the women and girls. On the 26<sup>th</sup> September 2017, the lecture about the 'self-defense' under the NIRBHAYA ABHIYAN run by Police Department of Kolhapur. The said lecture was delivered by PSI Sai Bhore-Patil. Dr. Manjushri Pawar lectured on 'Chatrapati Maharani Tarabai' under the 'Bhadrakali Tararani Lecture Series', on 15<sup>th</sup> day of December 2017. 'MISS GOKHALE' beauty contest was arranged by Smt. Sushiladevi M. Desai Yuvati Prerna Munch of Gopal Krishna Gohale College on 3<sup>rd</sup> January 2018. On 25<sup>th</sup> January 2018, ESSAY and ELOCUTION Competition was organized by Smt. Sushiladevi M. Desai Yuvati Prerna Munch and the themes are only related to the women issues like killing of female foetus, dowry death etc. The NCC unit was started for girl students from this year. Beti Bachao Beti Padhao Abhiyan started in the college and inaugurated by felicitating women faculties who is having only girl child. Female faculty members participated in the women Bike rally arranged by the Maharashtra Times newspaper and Satej Patil Foundation

#### **Evidence of Success:**

Above mentioned Programs/activities and Lectures have made very positive impact on the girl student and the outside women who associated to each college activities. They now try to speak their problems and try to reveal suppressed emotions and enjoy freedom in the men dominate system. Number of girls now taking active participation in various college activities like, NSS, NCC, Yuva Mohostava, etc.

#### **Problems encountered:**

However still there is problem of insufficient number of participation. Still some girls and Women are not interested in the women's activities. It's because of either they fear to any dogma or familial restrictions.

**Future Plan:**

The College will try to encourage the women to participate more and more in the women’s activities and will try to reach at their doors to make them aware of contemporary social atmosphere.

**Shivaji University-GKG College Vyakhan – Nirbhaya Pathak Training by Sai Bhoire Patil mala- Bhadrakalin Tararani**
