Title of Activity : Field Visit : Pavankhind and Surrounding area.

Date : 09 November 2022

Organized by : Department of Geography.

Summary : Field trips allow students direct access to tools and environments that they otherwise wouldn't have contact within the four walls of their school. Students can be taken to see historical artefacts or even an underwater ecosystem at an aquarium on field trips. Each experience solidifies learning and supports key academic theories. They begin to see that what they learn in the classroom can help them solve real world problems and this shapes them as people.

Snapshots:

Outcome: By this lecture student came to know,

1. It gives chance to students a think about a topic in different perspective.
2. Students get opportunities to experience new venues.
3. Improve Environmental Knowledge.
4. Develop critical thinking skills.
