Title of Activity : Participation in YEWS Green Club Workshops, Training Prog.,Webinars etc.

Green Club Faculty Coordinator: Dr. R. T. Patil

Organized by : Government of Maharashtra in Collaboration with unicef and ACWADAM.

Summary : More than two workshops and training programs were organized at Rajaram College Kolhapur. During this programs., Smt. Pratibha Dixit, Maharashtra State Nodal officer of Green Club Asok Ubale, Deputy director higher education, Aditya Jadhav and Avadhut Abhayankar from ACWADAM were guided all participants about save water campaign. Youth participation in saving natural resources and water is vital for sustainable development. Through various initiatives, young people are increasingly involved in conservation efforts. They give informative guidance about educational programs, community-based projects, and advocacy campaigns aimed at raising awareness about the importance of resource conservation and water management.

Green Club Nurturing Workshop.

On December 05, 2023 at Rajaram College, Kolhapur

Outcome: Participation in a Save Water workshop and webinar can yield several positive outcomes, both for individuals and communities:-

1. **Increased Awareness:** Workshops and webinars provide information about the importance of water conservation and gain a better understanding of the global water crisis and the role they can play in addressing it.
2. **Behavioural Changes:** Learning about water-saving techniques and best practices can inspire participants to adopt more water-efficient behaviors in their homes, workplaces, and communities. This could include fixing leaks, using water-saving appliances, or implementing rainwater harvesting systems. Use of Why Waste App.
3. Overall, participation in such events can lead to individual empowerment, community engagement, and positive environmental impact, making them valuable tools in the effort to conserve water resources.

Title of Activity : "Terrace Garden Visit"

Speaker : Mrs. Chitra Deshpande, Dr. R.P. Jadhav & Dr. R. T. Patil.

Date : 22, December, 2023.

Organized by : Department of Botany, G.K.G. College, Kolhapur.

Summary : Terrace Garden Visit was organized for all the Botany and Gardening students. A terrace garden is a beautiful way to add beauty and charm to your home. It can be done even with limited or no space in your home. You can design a terrace garden in many ways, but the basic concept remains the same. Terrace gardens are a great way to add colour and beauty to your home. They can also be used as an outdoor kitchen or simply as a place to hang out during summer. The best part about terrace gardens is that they are easy to maintain and add value to your home in many ways.

Snapshots :

Outcome: Following are the outcome of this program:

- 1) Vegetables & Fruits cultivated at home are free of pests and diseases, keeping us healthy
- 2) Terrace gardens serve as artificial air purifiers
- 3) The terrace garden not only provides vegetables for the daily food, but it also keeps the building cool.
- 4) Provides a hands-on experience in the cultivation of crops
- 5) Gardening even on a small scale can be a great stress reliever

Topic : VISA Application for Education

Summary : The lecture based various subject before applying for a student visa, you must be accepted into a recognized educational institution in the host country. This institution will provide you with an acceptance letter, which is a critical document for your visa application. Each country has specific visa types for international students (e.g., F-1 in the U.S., Tier 4 in the UK, etc.). You need to understand the requirements for the student visa in the country where you plan to study. These may include financial proof, academic qualifications, and health insurance. Some countries allow international students to stay and work after graduation under a different visa category. This usually involves applying for a work visa or a post-study work permit.

Topic : Importance of Travel Insurance

Summary : Travel insurance is a crucial yet often overlooked aspect of planning a trip. Whether you're traveling for leisure or business, domestically or internationally, unforeseen events can disrupt your plans and lead to significant financial loss. Travel insurance provides a safety net by covering a range of potential issues, including medical emergencies, trip cancellations, lost luggage, and even delays. It ensures that you can manage the unexpected with minimal stress, safeguarding both your well-being and your financial investment in the trip. By understanding the importance of travel insurance, travelers can embark on their journeys with peace of mind, knowing they are protected against a variety of risks.

Snapshots:

Outcome:

1. Students understand Travel Insurance is very importance before travelling
2. Types of Travel Insurance and its applications.
