REPORT OF LANGUAGE LAB

The college has a language lab that facilitates students to practice the language via computer-based exercises and activities for the student of English department and as well as students of others streams. 16 students of the communicative and Spoken English course also get benefit of Language lab. The language lab interactive courses provide a very different experience from the traditional system of teaching and learning English, offering more advanced features and functionalities. The lab offers the students a structured e-learning environment to practice English in an entertaining and interactive way to acquire the main language skills such as listening, speaking, reading, and writing. The effective use of the lab will enhance their active vocabulary and improve their proficiency in speaking the language. The Language lab is having high speed internet facility and audio-visual aids to refine the linguistic skills of the students. The lab provides adequate facilities for effective teaching and learning of various aspects and skills of English language. Coordinator of Language Lab is Dr. C. R. Chougule Head, Department of English.
