

Internal Quality Assurance Cell (IQAC) Report Summary 2022-2023

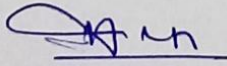

The Internal Quality Assurance Cell (IQAC) of the Gopal Krishna Gokhale College, Kolhapur has been working for the quality assurance and the continuous evaluation of academic and administrative practices for the effective delivery of the long term and short-term goals of the institute. As per the notifications and guidelines of the Central and State governments and the University Authorities, the institute had organized different programmes for the students through IQAC. In order to realize the prime aim of the institute, which is holistic and sustainable development of the student, IQAC and concerned departments have organized various programs and increased the participation of students in various activities. IQAC has taken initiative for the personality development of students to make them employable. In order to cultivate social values among students, the institute also motivates students to participate in the central government initiative like 'Swachh Bharat Abhiyan'. IQAC had monitored and strictly observed the alignment of institute's aims and objectives with the Central and State governments' aims by shouldering its responsibility by ensuring active participation in the initiatives. IQAC of the college insists on maintaining a green and sustainable campus in order to educate the students with environmental issues.

IQAC also observes the persistent efforts of the institute to promote, celebrate and sustain the sports culture of Kolhapur by motivating students to participate in competitions at state, national and international level. As a result of this policy of sports promotion, the institute has achieved heights of success in the past and will also ensure it in the future. IQAC of the college in order to cultivate the national, social and personal values celebrate commemorative days. For skill development and capacity building, the IQAC periodically organizes the programmes, events and training workshops in collaboration with concerned departments and other educational bodies working in the vicinity.

IQAC had also motivated students to participate in Youth festivals organised by the University to sustain their educational and personal development. IQAC also persistently works to aware the students for gender equality. In collaboration with the government and non-government agencies, IQAC had organized different awareness programmes – from environmental issues to health concerns. The alumni participation for the development of the college is also notable. IQAC assisted to increase the contribution of Alumni in the different academic and co-curricular activities and events. In order to set the icon for upcoming generations of students, the Annual Prize Distribution of the students is organized annually to felicitate the meritorious students in academics and sports.

The present summary will give a glimpse of the initiatives, programmes, schemes and projects undertaken by the IQAC in the academic year 2022-2023 for the quality assurance.
