

Shikshan Prasarak Mandal, Kolhapur's
Gopal Krishna Gokhale College, Kolhapur

Institutional Annual Report

2022-2023

Gopal Krishna Gokhale College, Kolhapur has maintained a trajectory of steady and sustained growth since its establishment, which can be observed in the assessment reports of accreditation by NAAC and other similar bodies. The holistic development of the student and the shouldering of social responsibilities were the major objectives of the programmes and activities conducted by the institution. The annual review of the work, done by the institution, shows a wide spectrum of curricular, co-curricular and extra-curricular activities. As the central government and the state government were celebrating 'Azadi Ka Amrit Mahotsav', the institute organised different programmes to participate actively in this initiative. Essay Competition, Poster Competition, participation of students in Cultural Competition and Quiz competition cultivated the important values among the students. Besides these activities, institute also participated in other central and state government initiatives like Swastha and Swacha Bharat campaign, Skill India campaign. The institute also celebrates different commemorative days like Sardar Vallabhai Patel Jayanti, Br. Balasaheb khardekar Jayanti, Dr. Babasaheb Ambedkar Jayanti, Savitribai Phule Jayanti, Rajmata Jijau and Swami Vivekanand Jayanti, Smt. Shushiladevi. M. Desai smrutidin, Chhatrapati Shivaji Maharaj Jayanti, Dr. C. V. Raman Jayanti, and Founder Prin. M. R. Desai Jayanti in order to introduce the students with the life and works of great persons and cultivate the personality traits in them.

Along with the birth anniversaries, the institute also organizes different days like - Constitution Day, Voter Registration camp, International World Tourism day, , World Soil Day celebration and oath about the voting right, Republic Day, Human Rights Day celebration, World Energy Conservation

Week Celebration, World Consumer Day Celebration, Essay competition on World Hindi Day, Marathi Bhasha Din celebration, National Youth Day, World poetry Day, Ozone Day and World Water Day by conducting different programmes according to the day. The students very enthusiastically participate in such kind of activities which not only helps institute to engage them in the learning process but also promote a socially responsible personality.

The programmes organised by the institute help students to build their personality and enhance their employability. Besides certain general programmes of day celebrations and the particular events, the college had also organised the specific programmes of personality development and skill oriented programmes like – Model Presentation by Geography department, Career opportunities in Interior design, Skill oriented programs by Smt. Sushiladevi .M Desai Yuvati Sachetana Foundation programs, participation in Disaster management program, Skill building program, Shiv prerana Din celebration, Speech on Career Opportunities in commerce sector, Commerce week Lecture on Skill based Training Guidance, visit to bank, Speech on Personality Development in NSS camp.

The institute has been working for the environmental consciousness by organising the national-international seminars and workshops. In this year the environmental awareness programmes were continued throughout year. Promotion of Eco-friendly Diwali celebration, International Biodiversity day Quiz Competition and Environment week celebration was organised. It is a pride feeling that the institute also secured very prestigious award of Sustainable campus and environmental awareness (International Green Campus Award, New York). Environment awareness program was also organised by the college.

The institute promote the students in cultural programmes conducted by the university and other government and non-government bodies. The students very actively participated in different events conducted under the Youth Festival. The students participated in the Elocution Competition, YIN Kala Mahostav participation that helps to develop the leadership qualities in them.

The effective delivery of the syllabus and the enriched learning experiences is focused by arranging guest lecturers of different expertise of national and international repute, awareness programs about NEP 2020. The programmes like Lecture on AIDS Awareness; Lecture on soft skills by Shri. Baladev Machave, National Science Day was organised by the college.

Throughout the year, the institute also worked for the health issues of the students. The programmes like Health Check up Camp was organised in the college. The health events were accompanied with the sports events of the institute that developed the sports culture on the campus and promote the students living in the rural parts of Kolhapur into the competitions at national and international level. In this year the students participated in Shivaji University Sports Competition. In order to promote the sports culture and to set the example, the sports department and organised the felicitation of victorious Badminton player, winner of Shiv Chatrapati Award for the achievement in sports by Government of Maharashtra, Arti Patil at the hands of Hon`ble Secretary of Shikshan Prasarak Mandal, Kolhapur. Physical Director of college also won the colour Award of Shivaji University, Kolhapur.

The institute also focused on the values of gender equality by organising the programmes like – informative Lecture about Education of girls on the occasion of National Girl Child Day; presentation of Audio Visual clip of Shri. P. B. Zaware, on the occasion of World Women`s Day.

The institute has been concerning about the differently abled students and give priority in providing required facilities to them. Different programmes were also arranged for them and other students to make them aware with the problems of differently abled community.

The institute also believes in the field projects and field visits that allow students to interact with the real society and tackle the real problems. In this year the departments organised the study tours. In this year institute continued to work for the financial literacy of the students. The Commerce department of the college organised the programmes like - Speech on Financial literacy, Commerce week, Panel Discussion on current Financial Issues.

Thus, the programmes, activities and events were organised with pre-set goals for the holistic and sustainable development of the student. Quality of teaching learning process is ensured by adopting different assessment schemes and measures introduced by NEP 2020. The awards, medals and prizes achieved by the students testify the output of the curricular and extra-curricular activities conducted by the institute.
