

IQAC REPORT SUMMARY (2021-22)

As per the notifications and guidelines of the Central and State governments and the University Authorities, the institute had organized different programmes for the students and other stakeholders to celebrate 'Azadi Ka Amrit Mahotsav' through IQAC. In order to realize the prime aim of the institute that is holistic and sustainable development of the student, IQAC and concerned departments had organized the personality development events for students to make them employable. In order to cultivate social values among students, institute also motivate students to participate in central government initiative 'Swachh Bharat Abhiyan'. IQAC had monitored and strictly observed alignment of institute's aims and objectives, with Central and State governments' aims by shouldering its responsibility by ensuring active participation in the initiatives. IQAC of the college insist to maintain the green and sustainable campus in order to aware the students with environmental issues.

IQAC also observe the persistent efforts of institute to promote, celebrate and sustain sports culture of the Kolhapur by organizing different sports events and by motivating students for the participation in competitions at state, national and international level. The result of this policy of sports promotion, institute had achieved heights of success in past and also ensure it in future. IQAC of the college in order to cultivate the national, social and personal values celebrate commemorative days. For skill development and capacity building, the IQAC periodically organizes the programmes, events and training workshops in collaboration with concern departments and other educational bodies working in the vicinity.

IQAC had also organized special activities for differently abled students and also ensured the basic infrastructural facilities to sustain their educational and personal development. IQAC also persistently work to aware the students for gender equality. In collaboration with the government and non-government agencies, IQAC had organized different awareness programmes – from environmental issues to the health concerns. The administrative authorities had developed a mechanism that helped ex-students of the institute to participate in the different activities. IQAC assisted to increase contribution of Alumni in the different academic and co-curricular activities and events. In order to set the icon for upcoming generations of students, the Annual Prize Distribution of the students is organized annually to felicitate the meritorious students in academics and sports.
