**Title of Activity:** **World Population Day : 2025**

**Participants:** : **10 Faculty Members and 29 Students**

**Guest Name** : **Dr. C.P. Kurane, Dept. of History, Gokhale College, Kolhapur**

**Date** : **11 July 2025**

**Organized by** : **Department of Geography**

**Summary** : The lecture focused on global population issues and their effects on sustainable development. Dr. C. P. Kurane explained historical population trends and their socio-economic impact. Key challenges like overpopulation, urbanization, migration, and aging were discussed. He emphasized the role of education, family planning, and gender equality in population control. The connection between population pressure and environmental degradation was highlighted. Solutions aligned with the Sustainable Development Goals (SDGs) were suggested. The session concluded with a call for responsible citizenship and policy awareness.

**Snapshots** :

## Outcome:

**1. Participants will understand major population challenges such as overpopulation, aging, and migration.**

**2. Learners will examine how population trends influence global Sustainable Development Goals (SDGs).**
