Siddhagiri Math in Kaneri, Taluka-Karvir, District-Kolhapur is the highest seat of the Kadsiddheshwar tradition. It is the place where the first Kadsiddheshwar Swamiji, Shri Niramay Kadsiddheshwar came and settled in 7th century C.E. Since then the Math has been guiding its followers in both spiritual and worldly matters. Siddhagiri Math is the Sthir Peeth of the Kadsiddheshwar Tradition. It was previously known as Kaneri math. Siddhagiri Math had been rigorously working towards the betterment of society for centuries with primary focus on village development. Competent villages lead to a competent Nation.

### VISION

Siddhagiri math, through all its indigenous, nature centric & sustainable initiatives intends to build healthy, competent, creative, civilized and conscious society.

With this vision in mind, emphasis is given on toxin free yield, providing guidance & support to farmers. Lakhpati sheti and Siddhagiri Naturals are being the role models to be adopted. One of the Krishi Vidgyan Kendra (KVK) has also been established in the math province. Math is also actively promoting the importance of organic farming and desi cows. Desi cows have also been given equal importance, as if to have a good doctor for a family

To provide better education facilities, various educational camps and science exhibitions had also been organized at Math every year. Vidyachetana is one such initiative helping ZP schools and their students excel. Siddhagiri Gurukulam is a perfect assimilation of our traditional ways of learning (Guru-Shishya parampara) and modern education system. Gurukulam is a place where learning is Happiness centric (Ananda Kendrit) and not money centric. To connect to our Cultural roots, Siddhagiri Museum has brought our indigenous ways of living to reality. It perfectly depicts how villagers were interdependent, but were independent collectively (a self-sufficient village).

Siddhagiri believes that, "Everyone has the moral right to avail modern healthcare facilities". With this belief, Siddhagiri Aarogyadham, consisting of Siddhagiri Hospital & Research Center (SHRC) and Siddhagiri Ayurdham, is serving everyone with minimal or no cost. Yog-gram, Suwarna Bindu and other traditional practices have been encouraged for building a healthy lifestyle and preventing diseases.

**Dyanam** - Is a supreme knowledge.

**Satyam** - Is unfolding the secrets of the ultimate truth - the only thing which remains unchanged i.e. Atman are explored and practiced here i.e. self-realization.
